Re: Lisadonna Recommendation

Dear Sir or Madam:

Lisadonna was the singer at our wedding ceremony. She sang a beautiful, heartfelt rendition of Sinatra's "All the Way". We were delighted with her performance and overall presentation. She was professional, diligent, and understood the situational importance of her work (e.g. knowing she must make the bride happy with the wedding song, first and foremost!).

Since then, she has also worked on specialty recordings for my business, for which, we've found her spoken voice to be unique, pleasant, cheerful, and clear. It's been a pleasure working with her. Please let me know if I may provide you with any additional information about this very talented vocalist.

Kind Regards,
